Algonquin Eco-Lodge

A Naturally Perfect Vacation

PROUDLY CANADIAN

Escape to the wilds on the edge of world famous Algonquin Park.

Algonquin Eco-Lodge offers a peaceful, secluded and rustic atmosphere where you can enjoy a vast array of activities all year round.

Only 3 hours drive from Toronto and Ottawa, Algonquin Eco-Lodge is the perfect setting for a relaxing paddle on Moffat Pond (our private 30 acre lake) or a day paddle up the York River. Hike through pine forests to tremendous lookouts or scenic waterfalls on over 60 km of groomed trails. When it's time to relax, enjoy the view from the deck, read a book at "Blueberry Point," or stroll down to the waterfront for a chance to see the resident family of beavers.

Come to Algonquin Park and search for wildlife. A wolf pack resides near the Eco-Lodge and we often hear their unmistakable haunting howls waft across the lake. Moose, deer, beaver, countless birds and even an occasional bald eagle cross our path from time to time.

Join in on a wolf howl around the bonfire at night, and enjoy magical night skies.

Visit the museums of the Park, shop at the local artisan studios and experience the true wilderness grandeur of Algonquin Park!

Algonquin Eco-Lodge is situated amidst remote Algonquin forests, where even hydro lines and telephone poles can't reach. Yet, with a combination of alternative energy sources, the Eco-Lodge provides all the finer comforts including an outdoor, wood fired hot tub and sauna (fall and winter).

Algonquin Eco-Lodge is the ideal place for those who like to participate in life's adventures, at any time of the year, rather than sit idly by.

In winter, cross country ski groomed trails through the snow covered forests, strap on a pair of snowshoes and traipse through uncharted territory, or experience the thrill of dogsledding as you mush along snowy pathways, pulled by an eager team of huskies.

In spring, summer and fall explore the natural beauty that surrounds you while hiking, canoeing, horseback riding or enjoying the sunshine.

Other activities that are available nearby include Golf and ATV tours. Reservations are required for these activities.
